

Public Notice issued by Nepal Telecommunications Authority
(NTA)

for all the concerned Stakeholders to provide their opinions and suggestions for the amendment in Cyber Security Byelaw, 2020

(First Published Date – 2nd August 2023)

In exercise of the powers conferred by Section 62 of the Telecommunication Act, 2053 (1997), Nepal Telecommunications Authority (NTA) has framed Cyber Security Byelaw, 2077 (2020) for the implementation of cyber security standards and best practices so as to protect ICT Infrastructure and Information Systems of Telecommunication Service Providers of Nepal from various malicious attacks and threats; and build trust and confidence of users towards using ICT technology and services. Now, NTA has initiated a process of making amendment in this Byelaw. NTA, therefore, requests **all the concerned stakeholders including telecom service providers** to provide their **point-wise opinion, advice or suggestions along with the reasons/justifications of amendment in writing**, if they are facing any problems in compliance of this Byelaw and find issues for amendment; **within 30 days** from the date of publication of this notice in the address given below.
